Copy of the letter R.No.262/51, dated 27-6-1951 from the Health Officer, Anti-malaria Scheme, Puttur, to the Director of Public Health, Madras.

Sub: Repairs and Replacements - Ford Van MDX 1734 - Sanction - Payments of bills requested.
Ref: Your letter L.Dis.No.43625-Mal(2)/51 dated 16-6-1951.

...

In the above reference, sanction of Rs.300/- towards repairs for Ford Van MDX 1734 (Replacement of brake liners and replacement of counter gear parts) has been accorded. The estimate of Rs.300/- was given by the Ford Dealers verbally as they could not quote cost of spare parts until the same were obtained from the Ford Motor Co., Copy of their letter dated 27-6-1951 in this connection is enclosed for perusal.

The bill for repairs is now received for Rs.652-7-0 of which

Repair charges		Rs. 80-0-0
Spare parts replaced such as washers, bearings etc.		51-9-3
Oils, grease etc.		10-0-0
Gear assembly and brake linings	11 items.	510-14-0
	Rs.	652-7-3

The price for the spare parts is stated to be the company price which has now been increased by 20% and surcharged, which alone comes to Rs.405/-

The repairs are satisfactory and the charges appear to be reasonable. In view of this I request that the bill for Rs.652-7-3 may be sanctioned for payment.

I have been informed by the Ford Motor Co., Bombay that the cause of damage to gear parts is most likely heavy load on the engine and as their guarantee is only for 90 days for free replacement of parts damaged due to defect in manufacture, they have declined to replace the gear assembly parts free of cost.

The Van now needs only repainting of the body for which quotation has been obtained for Rs.165/- which includes a double coat of Royal blue paint with additional Anti-corrosive treatment for the under surface of mudguards and chasis.

Copy of the Endorsement No.TRIG 69/151 dated 27-7-1951 of the Area Transport Officer (South), Coimbatore.

No.TRIG 69/151 dated 27-7-1951

Retransmitted duly checked. The charges are reasonable and not in excess of the prevailing rates.
